Weekly Games: Organized tee times on Monday, Wednesday, Thursday evening, Friday and Sunday for group competitions, both gross and net (for a small buy-in). These events are ongoing but the official start of these competitions (when you can start earning Tree Cup points) commences after the first monthly tournament (Beat the Pro) and continue thru the summer.

Two points are given for every Friday or Sunday (not both), one point for every Thursday evening game, and six points for every monthly tournament one plays in. Additional points are awarded to those players who win money (pro shop credit) in the tournaments. At The end of the season, the top 12 Tree Cup Point winners will earn additional credit in the pro shop. To compete in the year end club championship, a player would have to earn atleast 15 Tree Cup points.
