

Trysting Tree Golf Club was recently rated by Golf Digest as the 9th best public course in the State of Oregon. In addition to an 18-hole championship golf course, Trysting

Tree's premier practice facility offers a magnificent 300-yard driving range with 3 target greens. The private south end of the range features 16,000 square feet of grass tee area reserved specifically for

group lessons. The practice area located between holes #4 and #5 is a great place to master your short game. It consists of a two-tier green, a practice bunker, and 50,000 square feet to perfect your wedge shots. Another practice green is located next to the clubhouse.

## Bob Janes

### PGA Teaching Professional

Bob Janes came to Trysting Tree Golf Club from Arizona where he was the Head Golf Professional at TPC Star Pass. He also was a Teaching Professional for

Exceller Golf Schools at The Pointe Hilton at Tapatio Cliffs in Phoenix, Arizona. Prior to this, Bob played collegiate golf for the University of Idaho and is a native of East Wenatchee, Washington. His high school team (Eastmont) won 3 consecutive state championships. Bob has been at Trysting Tree since the summer of 1993 as the Head Teaching Professional and has over 20 years of teaching experience.
